Rent-To-Own Program

WHAT DO YOU RENT?

We rent quality, student model instruments perfect for the beginning musician.

WHAT IS INCLUDED?

Everything! The monthly payment includes the instrument, tax, and accessories. We also provide 2 free private lessons with our instructors. We also cover all repairs under warranty except abuse or neglect of the instrument.

HOW DO I PAY?

All rentals are a monthly automatic withdraw from a checking account, debit, or credit card taken out on the 15th of each month.

WHAT DO I NEED TO RENT?

We require a PA driver's license and two (2) forms of payment. One form of payment you specify will be the monthly withdraw, and the second form of payment is a back up in case there's a problem with the first. Also, be prepared to make the first payment when you initially rent.

WILL I EVER OWN IT?

Rentals are set up as rent-to-own which is a 28 month program, but you are only obligated for the first 3 months. Also, we offer an early payoff discount which is 20% off whatever the remaining balance is at that time.
